

SHERLOCK HOLMES

The Shadow of Jack The Ripper

If you are **Watson**, you may ask four questions, but only three if you are **Holmes**. When questioning a witness for the first time, write their name in one of the spaces provided. Then, for each question asked, mark one of the checkboxes next to their name. Be careful, as certain questions could offend your witness, and cause them to refuse to answer further questions.

When you think you've found them all,
add their codes and go to 171.

Chapter 2

The murder of
Susan Howard

If you find a new suspect, note
them here like on the other side.
